**Updates**

Director of Music Position

There was discussion about filling the Director of Music position and expanding the role into that of a Worship Leader. The goal is to find a candidate who can develop multiple aspects of worship, is a leader of people and volunteers, and brings creativity to the role. There was discussion that the ideal candidate may be able to manage and outsource some of the responsibilities (for example, someone who may not necessarily have a classical music education or background but who could find resources for teaching classical music concepts and manage that instruction).

Clergy Health and Wellness

Lisa reported attending a meeting and presentation of clergy health and wellness issues and best practices. Lisa will share the contents of the presentation with the board for educational purposes and awareness.

**Generative and Strategic Work**

CHUMC Campus

Wesley Community Development submitted a Letter of Engagement for the analysis of the CHUMC campus, including a proposal of solutions and suggestions for usage options and development opportunities. This type of analysis may also be used for GSUMC later.

The Board approved the engagement of Wesley Community Development to conduct its analysis and assessment of the CHUMC campus.
